'The New York Times' takes OpenAI to court. ChatGPT's future could be on the line

UPDATED JANUARY 14, 2025 · 4:27 PM ET

 Bobby Allyn

A sign for The New York Times hangs above the entrance to its building, Thursday, May 6, 2021, in New York. The New York Times filed a federal lawsuit against OpenAI and Microsoft on Wednesday, Dec. 27, 2023, seeking to end the practice of using published material to train chatbots.

Active Directory Verbindung testen

Ein Test ist erforderlich, um die Active Directory Funktionen zu nutzen.

Um einen Test durchzuführen, füllen Sie alle Felder aus, speichern Sie Ihre Eingabe und klicken Sie auf den Button unten.

Accessibility in the code: (simplified)

```
1 <form>
2   <label for="email">Email</label>
3   <input type="email" id="email" name="email" required autofocus
4     autocomplete="username" class="focus:border-primary-light" >
5     <button type="submit">
6       Log in
7     </button>
8 </form>
```

- ✓ Screenreader verstehen die Elemente: man könnte Text auch in ein `<p>` packen, aber durch ein Label wird ersichtlich, wozu es gehört.
- ✓ Das Input Field hat alle möglichen Konfigurationen, wie `type`, `required` und `autocomplete`, was dem Screenreader ebenfalls hilft
- ✓ Der Button ist ein Submit-Button, was das Navigieren mit der Tastatur erleichtert
- ✓ Die Class auf dem Input zeigt das Highlighting im Focus State
